At nearly 7 years of age, "Dandy" came out of retirement to win a Champion Dog class of 24 and the WORLD INTRODUCTOR at the FCI World Dog Show, just like his sire did in 2006. Thank you to Spotlight on Dandy judge Ramon Podesta.

Dandy sends best wishes to his children in the U.S., Canada, Finland and Russia. We have frozen semen by him stored in California, where Dandy spent a few months finishing his AKC title as a youngster.

A litter by Dandy out of Multi Ch, Champion Reddible Welpi Tessa (Ch, Bitches best in Time x Ch, Oxford Tuff) has and will be planned for the future. Inquiries invited. Like Dandy, "Tessa" is a multiple CACIB winner. She is a multiple Group winner at FCI international shows and was BS in St. Petersburg over 4,000+ dogs at Russia's second biggest show.
